

TAWT - Learn, Earn, Achieve!

# Purpose & Utility

## Students

Reward students for completing courses, quizzes, collaborative activities, and platform activity.

Students can earn tokens when others access their exam library and/or notes.

Students can earn tokens when users access their translated videos or their custom videos.

Students and educators can pay for their SimpliTaught subscriptions.

## Educators

Earn tokens for uploading premium content, and tutoring sessions.

Educators can earn tokens by hosting live classes, workshops, Q&A sessions, and by charging attendees.

Educator incentives like allowing instructors to earn TAWT based on student engagement, meetings, and content.

Students and educators can pay for their SimpliTaught subscriptions.

# Blockchain Choice: Solana

Strong ecosystem supports seamless integration with wallets & dApps.

Low fees (<0.00001 to 0.0002 SOL per transaction) make microtransactions feasible.

High speed (65,000+ TPS) ensures real-time transactions for gamification.

# Staking Levels and Benefits

Level	Tokens Staked	Benefits	% of Total	FIAT Equivalent	Difficulty Inc.
